

JOB DESCRIPTION

Job Title:	Building Performance Assistant
Location:	London
Reporting to:	Head of Sustainability
Working with:	Practice Wide
Project:	H0025 Green Policy

JOB SUMMARY

A wide-ranging role within AHMM's Building Performance Team working on project specific activities, Post Occupancy Evaluation (POE) and sustainability related research. Applicants should have a relevant Master's degree/be RIBA Part 2 equivalent qualified. This position is offered as a permanent role but a temporary contract to suit an exceptional candidate's educational programme would be considered.

KEY RESPONSIBILITIES

Project Support:

- Support with development of project specific environmental strategies.
- Iterative environmental modelling and strategic performance testing.
- Carrying out POE activities on a range of complete projects.
- Producing graphic representations of environmental analysis and strategies for inclusion in project reports and communication with wider design teams.

Practice wide support:

- Input into research and development work through energy modelling, material research and other sustainability related strategic issues.
- Design and graphic support to the sustainability team.
- Dissemination of knowledge throughout the practice.
- Preparation of and participation in CPD events to share knowledge.
- Participation in academic collaborative research projects.

JOB REQUIREMENTS

- An architectural background.
- Master degree in architectural engineering/environmental design or equivalent.
- A demonstrable ability to apply modelled performance analysis (through proprietary or bespoke software) to an iterative design process.
- Good graphic and data presentation skills.
- Knowledge and experience of POE techniques and preparation of reports.
- Wide knowledge of sustainability issues facing the UK and international design and construction industries.
- Knowledge of the UK regulatory framework and construction process.

PERSONAL ATTRIBUTES

- Ability to work and communicate with a wide range of people.
- Excellent written, verbal and graphic communication skills.
- Ability to work independently, using own initiative.
- Flexibility, with a willingness to tackle a variety of duties and learn new skills.
- Highly motivated with and ability to work under pressure to tight deadlines.
- Keen attention to detail
